Sub: Registration of Former Delhi Government School students in Alumni Association

The Directorate of Education, NCT of Delhi has taken an initiative to form an Alumni Association so that the former students may significantly influence the current students of Schools under Directorate of Education.

Towards this end, the Directorate of Education envisions that each Department/ Autonomous body will identify the former students of Delhi Government Schools, who are working in that office. Accordingly, it is requested to circulate this communication amongst the Faculty and Staff members under the Administrative Control of each Department or Branch, identify former Delhi School students amongst them and motivate them to get registered with the Alumni Association.

For registering oneself in the Alumni Association by a former Delhi Government School student, a link "Calling All DSG Alumni" has been created at www.edudel.nic.in, the Directorate of Education website.

It is also requested to send the list of said officials/Alumni to the Nodal Officer at rdirectorcentral@gmail.com so that they may be contacted by the Directorate of Education.
